GROUNDWATER MANAGEMENT IN YOUR AREA

The South Fork Kings Groundwater Sustainability Agency (GSA) was formed to implement the Sustainable Groundwater Management Act (SGMA). The State law grants local control of groundwater management through GSAs.

A Groundwater Sustainability Plan (GSP) is being written. The GSP will indicate how groundwater is managed in your area in the years to come. **We need your input and feedback.** A draft GSP is scheduled for 90-day public review starting this September. **Fill out and return the contact form on back to receive timely updates on GSP progress and upcoming public review.**

SGMA IMPLEMENTATION

What is SGMA?

The Sustainable Groundwater Management Act is an unfunded State law that requires groundwater subbasins be sustainable by 2040 through better management and balance of groundwater supplies.

What is the status of SGMA in your area?

You live within the South Fork Kings GSA. The South Fork Kings GSA is currently coordinating with five GSAs in the Tulare Lake Subbasin to prepare a single plan to manage groundwater, known as a Groundwater Sustainability Plan (GSP). A draft GSP will be available for your review and feedback starting in September. The final GSP is due to the State by January 31, 2020.

What is a GSP?

A Groundwater Sustainability Plan (GSP) is a roadmap for how a subbasin will avoid the adverse effects of overpumping and achieve balanced levels of groundwater to reach sustainability.

How do I get involved?

As a landowner in the South Fork Kings GSA, your engagement is very important. A draft GSP will be available for 90-day public review and comment starting in September. **Groundwater management outlined in the GSP will impact your area for years to come. We need your input and feedback on the GSP.**

DON'T MISS AN OPPORTUNITY TO PROVIDE INPUT ON GROUNDWATER MANAGEMENT IN YOUR AREA.

Sign up for our Interested Persons email list by returning the form below to receive the most up-to-date information delivered to your inbox, including meeting notices, current news, events, and GSP development.

Attend Board of Directors meetings held bi-monthly on the third Thursday of the month at 5:30 in the Lemoore City Council Chambers. Visit southforkkings.org or call us at 559-242-6118 for upcoming meeting dates.

Check our website southforkkings.org for Board meeting and workshop notices, GSA updates, and GSP progress.
